Important Information

Cover for extended cancer benefits will end when the insured person reaches the age of 65.

To qualify for the additional Medical Premium Waiver cover, you must be under age 60 years. Cover ceases at age 70 years.

A policyholder younger than 55 on an individual policy should notify us if there is a change in their circumstances requiring cover for additional dependants, in which event the premium will be amended accordingly.

Older people are likely to claim more benefits than younger people and therefore premium amounts are age banded and differentiated based on age.

One debit order will be collected for your Gap Cover and any optional benefits and a separate debit order for Medical Premium Waiver.

If you miss a premium you have 31 days to pay the outstanding premium. If you pay by debit order and we are unable to collect your premium by the due date, we will try to deduct 1.5 times your monthly premium during the next monthly debit order run.

If the outstanding premium is not paid within 31 days or we are again unable to collect your outstanding premium, we will cancel your policy and your cover will end as at midnight on the day before your outstanding premium was due.

Policy premiums are not tax deductible in the same way that your medical aid contributions are. No IT3 tax certificates can therefore be issued for this purpose.

The policy agreement will be subject to South African law and all premiums and benefits will be in Rands from and to a South African bank account. If the law or the interpretation thereof changes, we may change the terms of the policy. We will notify you of any such changes.

Section C: Health questions

Please answer the question below if you are applying for the Extended Cancer Cover. If your answer is 'Yes', you will unfortunately not qualify for the Extended Cancer Cover.

Have you or any of your dependants on your medical scheme ever had any form of cancer, cancerous growths, tumours, lumps or malignant moles? Y N

Please complete the question below if you are applying for Medical Premium Waiver. If your answer is 'Yes' you will unfortunately not qualify for Medical Premium Waiver.

Have you ever tested positive or been treated for HIV/Aids? Y N

Please ensure that your answers to the questions above are accurate. Should any of your answers be untruthful or inaccurate, it may lead to the declination of future claims that may arise.

Section D: Debit order authorisation

I authorise Zestlife to issue payment instructions to its bank to collect the monthly premium/s due for the product/s I applied for by debit order from my bank account on condition that the sum of such payment instruction will never be more than my obligation in terms of this application. I acknowledge that all payment instructions issued by Zestlife shall be treated by my bank as if the instructions have been issued by me. The debit order will be collected every month on the debit order collection date selected below.

If this collection day falls on a Sunday or recognised South African public holiday, the collection day will automatically be the following business day. I acknowledge that this debit order authority may be assigned to a third party only if the policy is transferred to another Insurer or administrator. I understand that the payment instruction will be processed through a computerised system provided by the South African Banks.

I will not have the right to any refund of amounts which Zestlife has collected while this debit order authority was in force, if such amounts were legally owed to Zestlife. This debit order authority may be cancelled by giving Zestlife notice of not less than 30 days and the cancellation will not necessarily cancel my policy. 'Zestlife' followed by a unique reference number will be reflected on my bank statement as the payment reference.

Premiums are payable monthly and if the premium is not received for two consecutive months, the policy shall be cancelled.

Section E: Needs analysis

The Liberty Gap Cover product meets my needs as my medical scheme does not cover the total medical practitioner costs when I am hospitalised. The product was recommended as a solution because it will cover the difference between the medical practitioner's charges (limited to 5 times the medical scheme tariff) for treatments I receive in hospital and for listed out-of-hospital procedures, less the higher of the amount payable or paid by my medical scheme, or 1 times the medical scheme tariff. In the case of the Essential Gap Cover option, the medical practitioner's charges will be limited to 3 times the medical scheme tariff. I understand that I will experience a shortfall if a medical practitioner charges more than three times what is actually paid by my medical scheme.

The Extended Cancer Cover (if selected) meets my needs because I could experience medical scheme shortfalls on cancer treatment. The benefit is subject to a general six-month waiting period. Cover for this benefit ends on the day the insured person reaches age 65. A life insured is not covered if the claim is made within 12 months after the start of the Extended Cancer Cover in respect of a medical condition for which, in the 12 months preceding the start date of your policy, medical advice, diagnosis, care or treatment was received or would reasonably have been recommended.

No claims submitted for cancer diagnosed within the first six months from the start of the Extended Cancer Cover will be payable.

The Liberty Medical Premium Waiver policy meets my needs as it will continue to pay the medical scheme contributions for me and/or my medical scheme dependant(s) in the event of my death or disability. The Liberty Medical Premium Waiver product was recommended as a solution because it will cover the medical scheme contributions for me and/or my medical scheme dependant(s) for the benefit payment period selected.

I understand that there are other similar products on the market but the intermediary regards this Gap Cover product as the most suitable product for me. Alternatively, the intermediary does not represent any other Gap Cover and Premium Waiver product supplier. I declare that a full needs analysis was done and that the monthly premium is affordable taking into account my other financial commitments.

Misrepresentation or misinformation:

You will be responsible to ensure that you regularly monitor your policy to ensure the cover remains adequate to meet your financial needs and that the cover remains appropriate.

Pre-existing condition exclusions

If you fall pregnant before the start date of your policy, this will be regarded as a pre-existing condition and any pregnancy and birth-related claims will be excluded for a period of 12 months from the start date of your policy.

If, immediately before the start date of this policy, you were insured under a medical expense shortfall policy with similar benefits to this policy, then the pre-existing condition waiting period will only be applied to the unexpired part of the pre-existing condition waiting period in the previous policy. The pre-existing condition waiting period will apply for a period of 12 months for any benefit not provided under your previous medical expense shortfall policy.
