Other 

 Date of diagnosis

In order to register patients on the Chronic Medicine Programme, documentation from a relevant specialist and/or test results verifying the diagnosis, is required for the following:

**Diabetes:**

HbA1C 

 mmol/l Date of diagnosis

HGT 

 m.mg Date of tests done

**Hyperlipidaemia:**

TC 

 Date of diagnosis

HDL 

 Date of tests done

TG 

 Date of tests done

LDL 

 Date of tests done

Please complete the following table with the required details of your patient's current chronic medication prescription. Or attach a copy of your patient's latest medicine prescription when you submit this form.

Diagnosis/ ICD-10 code	Active ingredients	Medicine trade name	Strength (e.g. 10mg)	Directions (e.g. lts)

Special investigations/ motivations

### ACKNOWLEDGEMENT BY EXAMINING DOCTOR

TO BE COMPLETED BY THE ATTENDING MEDICAL PRACTITIONER

Having conducted a personal medical examination, I certify that the particulars are, to the best of my knowledge and belief, true and accurate. I acknowledge that the Insurer will rely on such particulars when making any recommendations regarding the payment of treatment and services.

Doctor's last name 

 Doctor's first name(s)

Doctor's signature 

 Date

### PATIENT'S DECLARATION

I am aware that the Insurer may request relevant medical information from any medical facility, laboratory, clinic, hospital, doctor or specialist that it requires to make an appropriate funding decision about my care.

In order for the Insurer to fully assess this application for benefits, I hereby give my consent for them to obtain this information from the relevant healthcare provider. I further understand that this application is subject to the Liberty Health Cover Policy Conditions, available benefits and relevant funding protocols.
